

Malgosia Green

CEO
Match Group Asia

(She/Her/Hers)

Malgosia Green is the CEO of Match Group Asia.

Prior to this role, Green was the CEO of Plenty of Fish from 2018-2022. Before joining the company, she served as the Chief Product Officer at educational technology company Top Hat, where she headed up product and engineering. She helped scale the company to over 300 people in just 5 years.

Previously, Malgosia was the founder & CEO of Savica, an online marketing company focused on international education. Savica launched LearnHub in 2008, a higher ed, test prep, and career network for students, which grew to be the largest education site in India.

An entrepreneur with over 14 years of experience, Malgosia has worked in Toronto, San Francisco, and Austin. She holds a B.A.Sc. in System Design Engineering from the University of Waterloo.
